Monahans High School

Progressive Commercial Aquatics

As part of a series of additions and renovations to Monahans High School in West Texas, a new natatorium was included with a 7,546-square-foot competition pool. The 75-by-100-foot pool features ten 25-meter primary course lanes, twelve 25-yard cross-course lanes, a 5-foot moveable bulkhead, two 1-meter diving boards, and a fully integrated electronic timing system. Aquatic equipment include ten starting blocks, a pool heater, and an ADA chair lift. This new addition will be utilized by Monahans-Wickett-Pyote ISD for district swimming and diving programs.

Evelyn Rubenstein Jewish Community Center

Progressive Commercial Aquatics

The Evelyn Rubenstein Jewish Community Center features four bodies of water. The outdoor facilities include two leisure pools with zero-depth entries, spray features, a slide tower, a basketball hoop, and a 5-lane, 25-yard lap pool. The indoor aquatic attractions include a 5-lane, 25-yard lap pool with an attached warm pool area for family swim and water walking, and a splash pad with spray toys for flowing water fun. All pools are equipped with heat pump technology to heat and chill water so there's fun for the whole family year-round.

University of Texas

Progressive Commercial Aquatics

The University of Texas' Eddie Reese outdoor pool was completed in August 2020. The Myrtha Pool stainless steel shell allowed for a uniquely configured pool, offering training in ten 25-yard lanes, perfect for the NCAA season as well as five 50-meter lanes, ideal for the long-course season. Dual-course lengths will enhance both the training capabilities and recruitment of world-class student athletes and ensure the long-term success of both the men's and women's programs.
