Landmark Aquatic's collaborative process, specialized experience, and proven solutions set us apart. Our design-build process achieves a perfect balance of timing, cost coordination, function, maintainability, efficiency, and delivery for your project. The value our clients receive is the perfect blend of large-company capabilities and small-company personal service and responsiveness. We take a tailored approach to our complete range of services, from concept to completion and beyond.

With over 40 years of experience, Progressive Commercial Aquatics has been recognized for its innovative approach towards delivering exceptional aquatic facilities across the country. Westport Pools, a highly reputable company known for its exceptional design and construction of stunning swimming pools, holds extensive expertise in creating luxurious aquatic spaces for over 56 years. Spear Corporation has been serving the commercial swimming pool industry in Indiana, Illinois, Kentucky and Ohio since 1984, specializing in aquatic construction, service, mechanical room renovations, pool design, equipment, and municipal water treatment.

Landmark Aquatic has a proven track record of design-build success. Our projects have stood the test of time, and you can tour our work throughout the nation.

EXPERIENCE

We have successfully delivered hundreds of complex design-build projects that transformed community recreational opportunities.

QUALITY

From our in-house licensed engineering team to our highly trained crews, we deliver with high standards, attention to detail, and field-proven techniques.

STRENGTH

We have a single project bonding capacity of \$30M and a spotless reputation for exceeding customer expectations.

KNOWLEDGE

We have decades of knowledge in all aspects of aquatics: design, construction, operations, and service.

SPLASHPAD

Jellystone Park - Wichita Falls

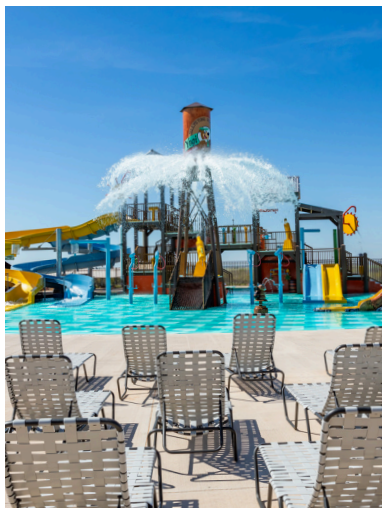

Yogi Bear's Jellystone Park Wichita Falls, commonly known as Coyote Ranch Resort, has a brand new splashpad and play structure thanks to the help of Progressive Commercial Aquatics, Northgate Resorts, and Brannon Corp. Progressive's scope of work on this project included providing concrete pool shells, deck equipment and ADA lifts, tile and coping, permanent fencing, and various aquatic equipment including variable frequency drives, plumbing, pumps and motors, main drains, filters, UV system, heater, Accu-Tab chlorination system, and more.

SPLASHPAD

Yogi Bear's Jellystone Park - Tyler

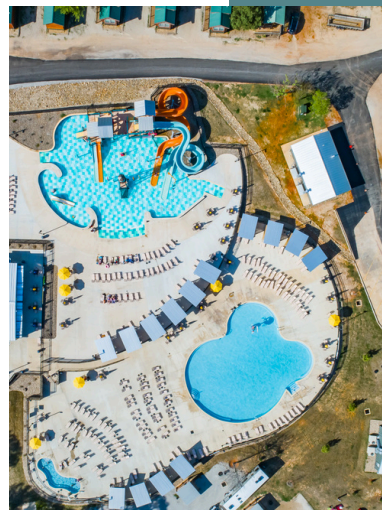

Yogi Bear's Jellystone Park - Tyler is located on 47 acres in the rolling hills of the East Texas Piney Woods and north of Tyler, Texas. The freshly renovated park features a new interactive water playground with a play structure, spray features, Life Floor slip-resistant flooring, and slides. In addition, there is a family swimming pool and a separate spa tub in the park's new Water Zone. Jellystone Tyler also features an 18-hole mini golf course, laser tag, gem mining, a variety of sports courts, nature trails, and more. There is fun for the whole family!

SPLASHPAD

The Cove at St. Peters

The Cove at St. Peters features many different aquatic amenities for the whole family. The leisure pool is 8,000-square-feet with one of the widest zero-depth entries in the county with shade structures on each corner, an elevated play structure, water features including a dumping bucket, a slide, and underwater bench seating. The facility also includes a 3,200-square-foot activity pool that can be used for basketball, volleyball, aqua aerobics, water walking, and lap swimming. Families can also enjoy a shaded splashpad with 19 various spray features or the two intertwining waterslides that start from a 21-foot high platform. One slide is a 175-foot long open flume run-out body slide, and the other is a faster 120-foot closed tube run-out body slide.

SPLASHPAD

Boonville Lions Park Aquatic Center

Boonville's state-of-the-art aquatic center is the place to be in the summer time. It features a zero-depth entry children's play area with a large aquatic play structure, two serpentine tube slides, a hydrotherapy bench, lily walk, lazy river with a vortex, and sprypad area. The facility also includes a 6-lane 25-meter lap pool with starting blocks, two 1-meter diving boards, basketball hoop, and two additional tube slides.

SPLASHPAD

Keller Pointe

Completed in August 2004, the facility showcases two bodies of water with the latest in multi-generational design, including a 6,100-square-foot indoor leisure pool with an open tube waterslide, closed flume waterslide, 200-square-foot whirlpool spa, four fitness lap lanes, and interactive play features. The second pool is a 10,900-square-foot outdoor leisure pool with an open tube waterslide, lazy river, 1,250-square-foot sprayground, vortex, and interactive play features.

SPLASHPAD

North Pointe Family Aquatic Center

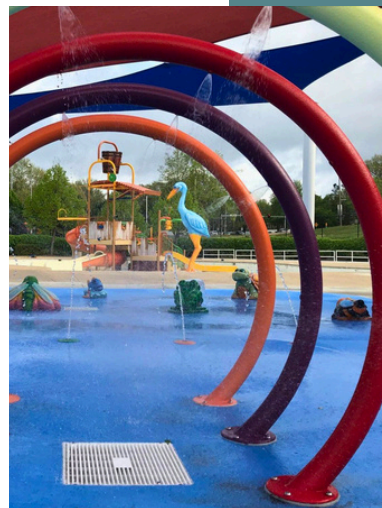

The North Pointe Family Aquatic Center is a state-of-the-art facility that features a 25-yard by 25-meter lap pool with 10 lap lanes, two 1-meter diving boards, and a "Tree Swing." Surrounding the complex is a 1,000-foot lazy river, which facilitates a running waterfall and various watersprays. The lazy river encloses a leisure pool with a zero-depth entry, water features, and a vortex, and a tot pool with a zero-depth entry and a play structure. Between the leisure pool and tot pool is a splashpad. Adjacent to the lap pool are one open-flume and one closed-flume, two-story waterslides. This project was named the "Best Public Pool" in September 2003 by the St. Louis Riverfront Times newspaper and was renovated in 2017.
