Landmark Aquatic's collaborative process, specialized experience, and proven solutions set us apart. Our design-build process achieves a perfect balance of timing, cost coordination, function, maintainability, efficiency, and delivery for your project. The value our clients receive is the perfect blend of large-company capabilities and small-company personal service and responsiveness. We take a tailored approach to our complete range of services, from concept to completion and beyond.

With over 40 years of experience, Progressive Commercial Aquatics has been recognized for its innovative approach towards delivering exceptional aquatic facilities across the country. Westport Pools, a highly reputable company known for its exceptional design and construction of stunning swimming pools, holds extensive expertise in creating luxurious aquatic spaces for over 56 years. Spear Corporation has been serving the commercial swimming pool industry in Indiana, Illinois, Kentucky and Ohio since 1984, specializing in aquatic construction, service, mechanical room renovations, pool design, equipment, and municipal water treatment.

Landmark Aquatic has a proven track record of design-build success. Our projects have stood the test of time, and you can tour our work throughout the nation.

## EXPERIENCE

We have successfully delivered hundreds of complex design-build projects that transformed community recreational opportunities.

## QUALITY

From our in-house licensed engineering team to our highly trained crews, we deliver with high standards, attention to detail, and field-proven techniques.

## STRENGTH

We have a single project bonding capacity of \$30M and a spotless reputation for exceeding customer expectations.

## KNOWLEDGE

We have decades of knowledge in all aspects of aquatics: design, construction, operations, and service.
