THE STANDARD IN COMMUNITY

AQUATIC DESIGN, BUILD & SERVICE.

For more than six decades, the people of Landmark have been designing, building, restoring, and maintaining aquatic centers across America. What makes us different is simple—we don't just build pools, we build lasting partnerships. From the first concept to long after the first splash, we're with you, for the life of your pool.

For more than 60 years, we have been shaping the standard for aquatic excellence. Our work doesn't end when the pool opens—it's where our partnership begins. With six decades of experience, nationwide reach, and a commitment to quality at every stage, we're here to keep your aquatic facility performing beautifully for years to come.

SUPPORTING COMMUNITY AQUATICS
WITH PARTNERSIPS & PERFORMANCE.

Community aquatic organizations face constant demands—continuous programming, tight budgets, aging infrastructure, and year-round expectations for quality and safety. We understand those pressures and bring proven expertise to help you operate efficiently while achieving measurable results.

For more than six decades, we've partnered with facilities of every size—from community centers and country clubs to JCCs and large YMCA associations—to improve reliability, control costs, and elevate the member experience. Our focus is performance: maximizing up time, extending asset life, and maintaining the highest safety and water quality standards. With Landmark, you gain a long-term partner committed to optimizing your facility's operations and ensuring your aquatic programs run smoothly—today and for years to come.

Our goal is to make your facility a destination your community loves and a landmark they can be proud of.

Why community leaders choose us:

Comprehensive Aquatic Expertise
From design and renovation to maintenance, repairs, and long-term capital planning, we provide end-to-end support for every stage of your facility's lifecycle.

Operational Reliability
We plan projects and maintenance around your schedule—lessons, practices, camps, or community programs—to minimize downtime and keep operations running smoothly.

Energy Efficiency & Cost Control
Through smart system upgrades and optimized filtration, we help lower energy and chemical use while improving water quality and comfort.

Safety & Compliance
Our Certified Pool Operators ensure your facility meets or exceeds all health, safety, ADA, and insurance standards, protecting your guests and your community.

Sustainable Partnership
We align with your goals and budget to deliver lasting value, proactive care, and reliable performance—helping your aquatic program thrive for generations.

FOR THE LIFE OF YOUR POOL.

For over six decades, the team at Landmark Aquatic has been servicing communities across the United States, turning aquatic visions into reality. Whether you need a design partner, general contractor, full design-build team or service provider, we bring precision, accountability, and craftsmanship to every project.

WE DESIGN & BUILD.

Design
Complete aquatic design services from concept through commissioning for a smooth, coordinated process.

Build
Integrated project management that keeps schedules tight, communication clear, and quality consistent.

Design-Build & Design-Bid-Build
One seamless process from vision to ribbon cutting—often shaving 6–12 months off development providing streamlined bidding, accurate estimates, and full code compliance in all 50 states.
